

Coppice Year 1 Newsletter

13th March 2020

This week we are learning:

- **Maths:** The children will be exploring addition and subtraction fact families for numbers within 20. They will also be comparing number sentences within 20 using key language and inequality symbols.
- **English:** The children will be writing their own independent sentences. We will also be learning how to use capital letters for names and places. The children will also use 'and' to combine two clauses together.
- **Art:** The children will be appraising Paul Klee's 'Castle and Sun' art work and innovating their own version.

Target Cards

The teachers will be updating target cards between now and Parents' evening. Please make sure these are in school everyday.

Parents' Evening:

Wednesday 25th March - 2.15 - 6.30

Tuesday 31st March - 2.15 - 6.30

Booking forms will be available in the Junior Hall the week before. We will let you know more details nearer the time.

Concept Cat:

We will be introducing a new concept to your child each week. We will model using the word as much as possible during the week. Can you use this word at home?

every- I eat my breakfast every day.

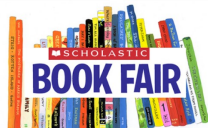

Well done to IW for an excellent assembly!

We look forward to watching IP's assembly this **Friday** (13th March @ 2pm).

BOOK FAIR

The Scholastic Book Fair will be returning to the Coppice on **Monday 16th March** and this year we have found a way of saving you more money and getting the best value on the books you buy. It is now possible to buy gift vouchers online before and during the event. Each voucher entitles you to a further 20% off the books you buy. If you spend £5 online you will receive a voucher for £6, if you spend £10 your voucher is worth £12 etc.

W.O.W—word of the week:

Appraise— If you **appraise** something or someone, you consider them carefully and form an opinion about them.

The children will be **appraising** Paul Klee's artwork.

Learning at home:

Can you identify any signs of spring? Draw some pictures to share in class.
