

Coppice Year 1 Newsletter

14th October 2019

This week we are learning:

- **Maths:** We are learning to order, compare and partition numbers using the part-whole model.
- **English:** We will be writing simple sentences about The Three Little Pigs using capital letters, full stops and the conjunctions *and* or *because*.
- **Geography:** Following our walk around the local community, we will be placing features onto an aerial map of Wythall.

W.O.W word of the week: 'architect' – a person who designs buildings and in many cases also supervises their construction.

We will be sharing new vocabulary with the children that will support our learning in class. Can you use the word at home?

Creative learning at home (optional):

Design a house.

What shapes/features does it have?

P.T.A School Disco:

As you are aware, the first P.T.A disco is coming up soon – Thursday 24th October, 3.15-4.15pm.

We apologise as our newsletter stated that the tickets were to be purchased on Parent Pay. This was incorrect. All payments for PTA events are through their own payment portal.

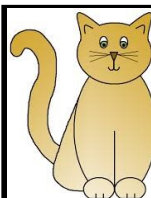

www.pta-events.co.uk/coppice

Reading:

In Friday's school newsletter there was a piece on the importance of reading. Please read with your child for 10 minutes daily and continue to fill in the jungle diary. When there are two entries in the jungle diary, please encourage your child to change their reading book.

Concept Cat:

We will be introducing a new concept to your child each week. We will model using the word as much as possible during the week. Can you use this word at home?

Darker – It is darker in the evening.
