

We are learning...

Coppice Year 1 Newsletter

29/4/19

English:

In English, we will be writing a recount of our exciting trip to 'The World Outside'. We will explore photos of our trip, and use key time sentence openers: first, next, then, finally. At home you could ask your child what they enjoyed the most about the trip, challenging them to use 'because'.

We will also be exploring facts about Leonardo da Vinci, and writing a fact file about him.

Maths:

In Maths we will be exploring making arrays, developing on our knowledge of equal groups. We will be using concrete resources to show our understanding of arrays. We are also looking at doubling numbers within 20. Can you practice the doubles wrap?

<https://www.youtube.com/watch?v=8jOzhiACB68>

Topic:

In Topic we are developing a wide range of Art and Design techniques, such as using drawing to create a self-portrait. In Forest Rangers, we will be creating sculptures on trees, using natural resources.

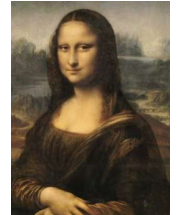

W.O.W word of the week:

We will be sharing new vocabulary with the children that will support our learning in class. Can you use the word at home? We have sent home a template for you to share and display the word at home together.

arboretum - 'a botanical garden devoted to trees'.

Art week

This week is Art week. We will be exploring a range of famous artists and their artwork. We will be looking at the materials they use, and the style of their work. We will also be exploring Leonardo da Vinci, and making our own fact files about him.

Learning at home (optional):

Research your favourite artist, can you make a piece of artwork like theirs? What materials have you used?

Thank you!

Thank you for purchasing the clay plant pots! We have made a small profit, and will be putting this towards buying new books for each class..
