

We are learning...

Coppice Year 1 Newsletter

8/4/19

English:

In English, the children will be finishing their innovated version of 'How to plant a Turnip'. The children will then independently apply their suffix knowledge to re-write the instructions.

Maths:

The children will be consolidating their learning of Measure, through an Eggciting Easter themed Marvellous Maths! The children will be counting in groups of ten. We will be using lots of different manipulatives to support our counting and recognise the pattern. We will also be exploring and identifying how to make equal and unequal groups.

Topic:

We will be ensuring our finished product meets our design criteria before we sell our clay plant pots. We will also be working scientifically to perform simple tests thinking carefully about our predictions and results.

RE day:

Our RE day is on Friday, the children will be looking at the significance of the Easter tradition to Christians and then comparing it to their own beliefs/ non-beliefs.

W.O.W word of the week:

We will be sharing new vocabulary with the children that will support our learning in class. Can you use the word at home? We have sent home a template for you to share and display the word at home together.

hypothesis - 'a well thought idea or explanation that you then test'.

Science Week!

This week it is our 'Science Week' we will working scientifically to perform small simple experiments everyday. Ask the children what their predictions and results were for each experiment!

Learning at home (optional):

Perform a simple science experiment.

E.g- Polish pennies in lemon juice.
