

Year 2 Newsletter – Week Ending Friday 13th March 2020

In English this week, the children have written their own character descriptions using plenty of expanded noun phrases, adverb openers and conjunctions. The children have also written this up neatly using their neatest handwriting. We really enjoyed reading their work! In Maths, we have finished our fractions topic by learning what an equivalent fraction is and how two quarters is the same as one half. They then completed a test which we will use for assessment purposes.

Reminders

Cadbury World Trip

Unfortunately, due to the ongoing problem with the Covid-19 virus, we will not be able to proceed with our trip to Cadbury World on 30th March. Please see the letter given to the children today for further details.

Forest Rangers

There will be no Forest Rangers session next week.

Arithmetic-

Below are links to great games the children can play, that will have them practice their arithmetic skills. It would be good for children to practice the four operations (addition, subtraction, multiplication and division)

Spellings

It is time to launch our Spring Spelling Bee! Practising for this will replace the usual weekly spellings for the next two weeks. The Spelling Bee will take place at some point week beginning 23rd March. Please, please, please support your child with these spellings as we are all after the prize that will be awarded to the class with the most 'full mark' scores!!

The words that will form part of the Spelling Bee are listed on the letter sent home with the children today.

Have a lovely weekend! – Mrs Ashforth, Miss Allen and Miss Jones ☺
