

In Year 3...

In English we are currently learning how to write a story with suspense. This week we wrote our own class story based on Kassim and the Greedy dragon.

In Maths, we continued Statistics, interpreting and creating pictograms, bar charts and tables and began our new topic, measuring using mm, cm and m and converting between mm, cm and m.

During science lessons this week we continued our topic 'healthy bodies'. We looked at and labelled the human skeleton. In art we researched and created a 'fact file on Andy Goldsworthy and began to design our own sculpture. In R4L we continued reading our class text 'Fantastic Mr Fox'.

Spellings Spellings will be tested next Friday 27th March

suddenly carefully finally politely simply merrily

We can just add **ly** to some words to make adverb.

sudden + **ly** suddenly

If a root word ends in **y**, we **swap** the **y** for an **i** before adding **ly**.

merry merr + **ily** merrily

If a root word ends in **le**, we drop the **le** and add **ly**.

simple simp + **ly**

EYF regarding keeping children at home:

No work packs will be sent home whilst school is still open.

However, children can continue to go online using...

- Mathematics - tasks will be set as normal, however children can continue to complete other tasks once they have completed their set tasks
- Spellodrome - Children can continue to play the spelling games as we update the word list every week.
- Purple mash - we have covered coding, to graph and to question. Children can continue to complete these tasks. There are also lots of maths games available on Purple Mash.
- Timestables Rockstars - Children should have brought home their times tables log in this week (check the back of their reading log) and can continue to play Timestable games. When children log in to Timestables Rockstars they also have to add their school postcode (B47 5JN).

Thanks, Miss Keight, Miss Pugh and Miss Kirby.
