

YR4 NEWSLETTER

Week beginning 7.5.18

QUIET ZONE (STAGE AREA):

School council have decided that they would like to improve the 'Quiet Area' on the stage for KS2 to use at playtimes. This will involve setting up cushions and comfortable places to sit and will include 'quiet' activities e.g. reading, colouring etc. Each year group has been set the task of acquiring different donations. Year 4 have been asked to bring in magazines/comics. If you have anything like this, that you are looking to get rid of/give a new home to, please consider donating them to school.

HOMEWORK REMINDER:

For this term's optional homework project, we would like children to bring in any recyclable materials which they think would make a good instrument along with an instrument design. Please bring these into school on Tuesday 22nd (4B and 4AW) and Thursday 27th (4VW) ready for our DT lesson.

READING DIARIES AND TIMES TABLES:

Please ensure that your child is reading for an hour a week (e.g. 3 x 20 minutes or 4 x 15 minutes) and that their homework diary is signed, ready to be handed in on Mondays, along with their times table challenge sheets. The children should be having a go at the times table challenge 4 times a week.

With thanks,

Miss Willcox
