

YR4 NEWSLETTER

Week beginning 6.5.19

Spelling Focus:

4AW: the prefix ir- for words beginning with r
4VW: words with the sounds gue (g) and que (c)
4B: Adding the suffix -ion

HOMEWORK:

For this terms optional homework project, we are asking the children to **design** an instrument they would like to make using recyclable materials. We would like them to bring in any materials, which they think would make a good instrument, on Wednesday 22nd (4B and 4VW) and Thursday 23rd (4AW) ready for our DT lesson. This links to our science topic - sound.

MATHLETICS:

A special well done to those children who have achieved their medal on Mathletics (30 certificates over the school year).

PEDESTRIAN TRAINING

As part of our Year 4 PSHCE curriculum, we will be carrying out pedestrian training with all three classes. This is a program run by Worcestershire County Council. You will receive more information on this in the next few weeks, on a separate letter.

With thanks,

Miss Willcox

Miss Wells

Miss Brown
