

Yr4 Newsletter

7.2.20

Good afternoon,

Spelling Focus: Please continue to go on Spellodrome and practise a words we have been learning so far this year!

4W: Unit 7 - words ending in -ous

4S: Unit 8 - Words with the 's' sound spelt 'sc'

4M: Unit 8 - Words with the 's' sound spelt 'sc'

Maths:

Currently in Maths, we are learning about fractions. We have counted up and down in tenths and hundredths, looked at mixed numbers and have just started looking at equivalent fractions. We have set some activities on Mathletics to help the children with their understanding of fractions.

Water Bottles:

A reminder that all children are entitled to have a water bottle in their classroom which they are able to use throughout the day. However, please ensure they are filled with water not juice. Spillages of juice cause books and stationery to be sticky.

End of the day:

Please can we remind all parents/carers that younger siblings should not be swinging or playing on the bars outside 4W and 4S. It is extremely difficult for us to dismiss the children safely if we cannot see past children standing on the bars.

Notes for your diary

Friday 14th February - Year 6 cake sale on the stage on the Junior Playground

Friday 14th February - Break up for half term. Return to school Monday 24th February

Friday 28th February - dare to be different PTA event! Choose a dare set by the PTA and donate 50p per dare completed!

Have a lovely weekend,

Miss Wells, Miss Shaw and Mrs Sealey
