

YEAR 5 NEWSLETTER

Dear Parents/ Guardians,

Welcome to Year 5!

It has been lovely to see the children back at school, enthusiastic to learn. We hope that each child has come home feeling settled and happy in their new class.

We would appreciate if parents could contact their child's teacher as soon as possible to introduce themselves and to establish an opportunity for contact, should this be necessary. Please do not hesitate to get in touch should you need to inform us of anything or ask any questions.

Our email addresses are:

My Maths

You should have received a letter regarding My Maths, a new platform that we are using for maths homework this year. My Maths allows children to complete their homework online, and the site also contains refresher lessons and a self-marking function. Each class now has homework set so please make sure that your child is checking and completing each task. New tasks will be set weekly.

Reading and Homework Diaries

Our expectation in Year 5 is that each child is reading regularly at home, getting their diaries signed by an adult. As such, each teacher will be checking reading diaries every Monday, Wednesday and Friday morning. Please ensure that each check will show reading in between.

Spellings

Our spelling focus this week is on -ed and -ing verb endings. Please ensure that children are checking the spellings they have written into their homework diaries each week.

Have a lovely week and stay safe,

Mr McGarry
