

Dear parents/carers,

Every year at The Coppice, children take part in a ‘Business Enterprise’ project with the intention of raising money for school. This year, we are hoping to raise money to purchase books for our book corners.

The children in Year 5 have decided that they would like to design and sell cotton reusable bags. The children will draw a self portrait of themselves which will then be printed on the bag. The children of 5J will be shown on one side of the bag and the children of 5H will be printed on the other.

We estimate that the bags will cost between £5-£6 for parents to buy. Due to this, we would like to find out whether parents, grandparents and family friends would be interested in purchasing a bag before we design and order them.

If you would be interested in purchasing a bag should we get them made, please can you complete the attached form in order to register you interest. If there is a high enough demand for them, we will be selling them towards the end of the Summer Term.

As always, thank you for your continued support,
Yours sincerely,
Miss Hunt and Ms Juneman
