

# YEAR 5 NEWSLETTER

## Parents Evening

We look forward to meeting with you for this important evening. You will have the opportunity to ask any questions about your child's progress and to see their books. Your child's teacher will also discuss with you the curriculum targets we have identified for your child and how we will be supporting them to reach these, as well as any action you can take at home to help.

Please note that appointments will be strictly 15 minutes long to ensure that all parents can be seen on time. No appointments will be taken any later than 6.30pm.

## Book Fair

There will be a book fair at the school between the 2<sup>nd</sup> and the 5<sup>th</sup> of December. This will be open daily in the Infant Hall between 3:15 and 3:45. Please do use this opportunity, books make a perfect stocking filler!

## Ingestre Hall

Please note that this Friday is the deadline for the deposit for Ingestre Hall. The deposit is £30 and can be paid on ParentPay. Please make sure that this payment has been paid if you wish for your child to attend.

## The Squashed Tomato Challenge

In early December, we will be completing a Design and Technology project using gears, pulleys and levers. The children will be designing their own solutions to a global challenge using their science knowledge.

If you have any recycled materials such as cardboard boxes, plastic bottles, yoghurt pots or other small containers, please do bring them in so that the children can use them.
