

YEAR 5 NEWSLETTER

Christmas Performance Recordings

On Monday 2nd December, we will each be recording a performance of a few Christmas songs as a class. We have been practising for this as an alternative to a Christmas production this year.

As such, children will need to bring in either a Christmas jumper or something festive to wear to jazz up their ordinary school uniform. Please so remember to send these in!

Book Fair

There will be a book fair at the school between the 2nd and the 5th of December. This will be open daily in the Infant Hall between 3:15 and 3:45. Please do use this opportunity, books make a perfect stocking filler!

The Squashed Tomato Challenge

As mentioned last week, we will soon be completing a Design and Technology project using gears, pulleys and levers. The children will be designing their own solutions to a global challenge using their science knowledge.

If you have any recycled materials such as cardboard boxes, plastic bottles, yoghurt pots or other small containers, please do bring them in so that the children can use them. We will be constructing from **Monday 2nd December**.
