

Hello,

Homework:

You will find any logins that your child needs in their green homework log.

Mymaths:

In our maths lessons we have been completing some work on the formal methods of division. There are three activities which need to be completed this week to consolidate the learning we have been completing in class.

- Bar multiplication and division
- Short division
- Short and long multiplication

Spelling shed:

The children are expected to complete 4 games weekly on playedshed.com. In addition to this, they are now expected to complete the look, say, cover, write and cover tasks in their homework diary. They will be tested on these words each Monday and then given 6 new spellings to learn.

6C - cial and tial spelling

6G - -ent, -ence and ance spelling

6L - tricky spellings from the Year 5 & 6 statutory spelling list

Reading: Children should continue to read at least three times per week; parents should denote all reading with a daily signature in your child's homework diary.

Topic: A reminder that optional homework is due for *USA and its states*. Please bring in any completed entries after half-term. This is an optional homework; however, homework like this will help prepare the children for secondary school.

Reminders for half-term:

Malvern deposit

You should have received a letter last week with details of the Year 6 residential to Malvern. If you want your child to attend, please return the slip and pay the deposit on Parent Pay.

Holes

Next Friday afternoon, Year 6 will be watching the movie adaptation of our class novel, *Holes* by Louis Sachar. Please return the permission slip to your child's class teacher.

Thank you,

Miss Cox, Miss Gatfield and Mr Laight
