

Hello,

**Homework:**

**Mathematics:** The homework this week is on dividing fractions. The children are expected to complete their homework for Monday. There is an example on the sheet of the methods we have practised in school.

**Spellodrome:** The children are expected to achieve 500 points weekly. In addition to this, they are expected to complete the look, say, cover, write and cover tasks in their homework diary.

**Spelling bee:** The Year Six spelling bee will be on next Monday (9/12). The children will be tested on 20 of the words from the list sent home. The children have had these words for several weeks now and should have been completing the look, say, cover, write and cover tasks in their homework diary using these words.

**Reading:** Children should continue to read at least three times per week; parents should denote all reading with a daily signature in your child's homework diary.

Some children also have additional comprehension sheet homework to help support their reading understanding.

**Topic:** There is no compulsory homework for topic. However, optional homework project can be completed at any point this half-term. Homework projects are due to be shared with the class on Friday 10th January. Furthermore, you could support your child's learning by reading, discussing and quizzing the content on the knowledge organiser.

**Well done**

This week the children have all completed progress tests in lessons. This has included a grammar and spelling test, a reading test and three maths tests. The children have all tried really hard with these tests and all gave 100%, so a big welldone to all Year Six.

**Reminders for next half-term:****ThinkTank**

Next half term we will be visiting the Thinktank linked to our science and history lessons. A payment of £19.50 is payable on Parentpay. Unfortunately, we had to cancel our last trip at the start of the term and would like to avoid this happening again, so please contribute if you're able to.

**Malvern payments**

A reminder that, if your child is going to Malvern, a deposit of £50 is required by Friday 13th December. There will be a parent information meeting about this trip in the summer term. We will contact you closer to the time to confirm the date and time of the meeting.

**Forest rangers**

Next week, all Year Six classes will be going to forest school with their buddies. All children should come to school in their uniform. They will need to bring a full change of clothing: a waterproof coat, waterproof trousers (if available) and wellies or waterproof boots. If they don't have any waterproof trousers, please send jogging bottoms that you don't mind getting muddy. It is quite cold so hats and gloves are important too. Due to the recent weather, forest school is very muddy so suitable footwear is a must.

6G and RG (Miss Gough) Monday 9th December 10 - 10.55am

6L and RT (Mrs Tomkinson) Wednesday 11th December 10 - 10.55am

6C and RD (Miss Dixon) Friday 13th December 10 - 10.55am

**Christmas lunch**

On Friday the 13th December the children will be having their lunch time with their Reception buddy. They will be able to eat their lunch together - whether they are having a packed lunch or having Christmas dinner.

Thank you,  
Miss Cox, Miss Gatfield and Mr Laight
