

Year 2 Newsletter – Week Ending Friday 29th November 2019

In English, we began the week by asking the children to plan and write their own journey story. This was an independent piece of writing (hot write) that we will use towards assessing their writing skills. We then moved on to our new topic of poetry where the children explored a range of different poems before beginning to learn an acrostic poem to recite. In Maths, we have continued with our money topic. The children have been comparing amounts of money as well as adding together two different values.
