

In Year 3 this week...

During our English lessons this week, we have written our class story using The Magic Paintbrush as our guide. In Maths, we have continued to practise our multiplication and division skills and have begun to learn a new method called 'short division' (or the bus stop method). The children had a practical Maths lesson where we used a lot of different resources and practised our division skills in a variety of different ways. During DT lessons this week, 3P and 3K created their 'Moving Monster', using egg boxes/burger boxes, tubing and balloons, and decorated them using a variety of art materials. They looked fantastic! 3HK have been learning about the Stone Age, how the people lived and farmed and what changes occurred over this long period of time. In art this week 3HK dressed up as cave men and women to draw some Stone Age cave paintings.

Spellings - Spellings will be tested next Friday 14th February

tries multiplies copies ladies families replies

Adding the suffix **-es**

We **swap** the **y** for an **i** before adding **-es**

Dates/Important Reminders**Design and Technology**

Thank you for all your donations of egg boxes this week. The children had a great time making their 'Moving Monsters'.

Year 6 Cake Sale

The year 6 children will be selling cakes at 3pm on Friday 14th February on the stage in the junior playground and in the infant playground.

Dare to be Different Day

On Friday 28th February we are daring the children to be different. This could mean coming to school in unusual clothes (maybe even their pyjamas!), wearing outrageous colours in their hair, wearing different shoes or simply just trying something new for lunch. Will you dare to be different?

Half term:

The children break up for half term break next Friday 14th February and return to school on Monday 24th February.

Thanks,

Miss Keight, Miss Pugh and Miss Kirby
