

# Reception: Our Week Ahead

## 11th December 2017

### Our week ahead - What are we going to be learning?

- Continuing to learn about 3D shapes: we have learnt the names of the 3D shapes, sphere, cone, cylinder, cube and cuboid. Now we will start to talk about their properties in more detail. How many faces? What are the shape of the faces? How many vertices?
- Comparing 2D and 3D shapes.
- Continuing to practise our key words.
- Matching capital letters and lower case letters.
- Learning about winter and developing our vocabulary with a winter theme.
- Performing our Christmas play to you! Please remember your tickets you will be asked for them.
- Hopefully we will get a reply to our letters that we posted to Santa!
- Having our Christmas lunch with our year 6 buddies on Thursday.

Next week we will be collecting in all reading and library books so please return any you have at home. We will not be giving the children new books until the beginning of next term due to a book audit. Please continue with keys words and remember the library at The Hub next door to the school.

A reminder we are a nut free school. Please do not send any food that contain nuts in lunchboxes e.g Snicker bars, Nutella etc... We have children in school who have severe nut allergies.

Please make sure you have paid for your tea towels via parent pay. We will only send home the number that have been paid for. We need all payments by Friday 15<sup>th</sup> December please. If you would like any more (or have not yet ordered) please let us know in the communication books as soon as possible as there are a few left to order.

### Forest Rangers

Miss Aston who is our fully trained Forest School leader has organised a special end of term forest school session for each class in Reception. In our last week ALL reception children will have a time slot on Monday 18<sup>th</sup> to toast a marshmallow and drink hot chocolate while singing Christmas songs around the fire. You children will need to come to school in old warm clothing that day as we won't be able to all wear the waterproofs we normally do due to numbers.

### Party day ☺

Tuesday 19<sup>th</sup> December is school party day, the children can come to school in their party clothes and we would love to see some Christmas jumpers! The children will have sandwiches at lunchtime as part of the party (instead of a hot meal). We are asking for the children to bring in contributions to the party and we will share them out across the classes.

RT - Paper plates, cups, squash, table cloths. RD - Savoury food **NOT SANDWICHES** (crisps, bread sticks, veggie sticks, sausages etc..) RA-Sweet food (cakes, biscuits etc..)

Please name all containers that need to be returned and bring the food on the day (not before thank you).
