

Year 5 half term project

Dear parents/carers,

As you will be aware, our topic this half term is the rainforest. The children have been enjoying learning about these fascinating places and are excited to learn more! To tie in with this topic, we are setting an optional project for children to participate in if they wish.

Their task is to produce a piece of work based on the rainforest. This could be a model of the different layers, an animal fact file, a painting, a persuasive letter to encourage people to protect our rainforests or anything else that the children would like to do/make. The work can be presented however your child would like and can be as simple or elaborate as they wish.

Children who participate will get the opportunity to share and discuss their work with their class if they wish and we look forward to seeing what the children come up with.

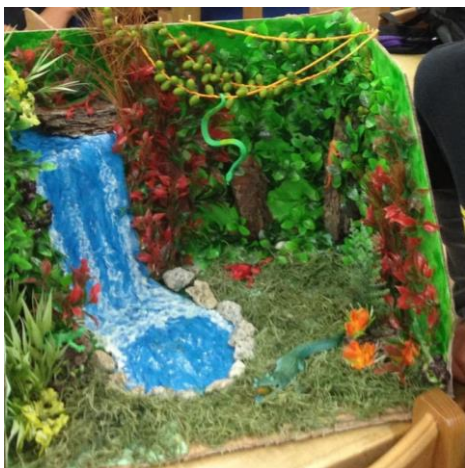

We ask that any completed projects be returned by Wednesday 23rd May.

Thank you for your continued support,
Miss Hunt and Ms Juneman

Year 5 half term project
