

25th June 2018 Our Week Ahead

Our week ahead – What are we going to be learning?

- About butterflies and their life cycle.
- Reading stories about the butterfly life cycle.
- Continuing to observe our caterpillars, they may change next week!
- How to type our full name on the computer and print a document.
- Measuring and sorting which objects are shorter, longer or the same length.
- Using non-standard measure to measure objects inside the classroom, such as cubes.
- Continuing with year 1 transition and meeting our new teacher.

Wow word: Chrysalis the hard-shelled pupa of a moth or butterfly

Homework

We would like the children to create a lifecycle of a butterfly, this can be a poster, playdough models that are photographed or photographs that are sequenced. Be imaginative as you like!

Important dates:

- Trip to the Butterfly Farm – Tuesday 10th July. Please ensure you have paid on parent pay and returned your lunch order.
- Teddy Bears Picnic at Licky Hills Primary School 12th July.
- Family 'healthy eating' picnic: Tuesday 17th July 2-3pm, all parents welcome. More information to follow soon.
- A reminder to send in book mark completion entries and NSPCC sponsor money.

Armed Forces Day – 29th June

We are having an armed forces day next week. Children can come to school in either rainbow/beavers uniforms or dressed with an 'armed forces' theme (no toy weapons please). Please bring a filled cup of items or £1 donation please (see main school newsletter for more details).

NSPCC: We are having our sponsored Buddy's Big work out on Thursday afternoon where the children will be completing lots of different sports activities (all forms to be returned by Wednesday 28th at the very latest). Your child can come to school in sports kit / trainers or pumps that day. We will send PE kits home before Thursday if they would like to wear those.
