LO: To reflect on the visit to the Hindu Temple.

Dear Parents,

Year four had a great time at the Hindu Temple. We had an amazing ^{day} time!

One of my favourite parts was the Ganesha shrine. It is a well respected place and it is where the Hindus worship first. It was a huge building ~~xx~~ and you have to show respect you had to take your shoes off before entering. Ganesha is a special god because the elephant head was given to him by Brahma, the main god. He also has ~~to~~ special parents called Shiva and Parvati.

Also, I enjoyed seeing the big tower in the middle. The Hindus told us that this is where they leave their ego to go and pray. Furthermore, it is where they break coconuts because they believe it is very holy. There was a fountain with the god Brahma and a lotus flower. It was linked to the creation story. I had no idea how holy these plants are.

I hope this trip continues for the next year four because it is great to learn about different religions. Also, I am very grateful that The teachers and parents paid for the trip because it was so fantastic!

(17P)

Yours sincerely, Fin

An excellent reflection - full of interesting facts. 😊
