

Well done James - an interesting, thoughtful reflection. 😊 (ITP)

✓ Lo: To reflect on the 7th visit to the Hindu temple

Dear parents,

You may have heard that Year 4 visited a Hindu Temple last Thursday. It was very interesting.

✓ The Hindu temple was in Dudley. 50 minutes away! When we arrived we met this lady and we had a little talk. After that we ~~met~~ sold all the temples.

✓ When we sold all the temples we looked at some gold holders. We only prayed this 2 of them, we prayed to Humana and Vishnu. After we prayed to them we did a fire routine.

✓ Then the lady told us a story about a mango. It was about who could get round the world three times. People say Ganesh cheated but he didn't so he got the mango.

✓ The best time of the trip was when we got some toffees.

✓ I think other people should do the trip because it will help them in the future.
your Sincerely

James Sirdal
