## Creature Comforts

This half-term, we will be learning about the different habitats in which animals live and how they are suited to these. We will discuss how habitats can change and the dangers this can pose to living things. Please find time to read through the knowledge organiser that your child should have brought home and if you have anything related to the topic, which your child would like to share, they are welcome to bring it in. Children will also get the opportunity to ask the Animal Lady any questions when she visits on Tuesday 12<sup>th</sup> March.

## Book Fair

The Book Fair is back! Please come along to the New Infant Hall from Monday 18<sup>th</sup> March to Thursday 21<sup>st</sup> March between 3:15 and 4pm.

## World Book Day

On Thursday 7<sup>th</sup> March it is World Book Day! Children, and their teachers, can dress up as their favourite book character or author and will take part in activities based on popular children's literature. Your child will receive a sticker and book token for taking part in the day. However, this token cannot be used at the school's book fair (dates for this are listed above).
