

Marvin Monster is going to join us in Year 2. Before he starts he wants to know the morning routines. Please write him a list of instructions from when he is dropped off in the playground to starting the Early Bird activity.

Remember the toolkit and all the things you need to include when writing instructions.

1. First, you must come to the school gate.
2. Next, walk down the path sensibly into the entrance playground.
3. Then, go over to your classes bags and put yours next to them.
4. Now, you can go and play happily.
5. After that, you must listen for the whistle while you are playing and if you hear it means to stand still.
6. Now, you go with your class and line up and follow your class quickly.
7. Finally, you need to put your bookbag in your box, put your water in the tray and put your bag and coat on your peg.

Tip: Be careful not to hurt any one in the class and playground.

Now Freya - what super clear instructions! 😊
