

SPELLODROME

Spellodrome Parent Information Sheet

What is Spellodrome?

Spellodrome is a web-based learning program that integrates home and school learning via the internet. As an online learning resource, Spellodrome is the next generation in learning, helping students enjoy English while learning. Spellodrome uses play and practice as the vehicle to encourage students to enjoy and improve their spelling skills. Spellodrome provides instant feedback on student's performance, maintain a high level of motivation, and offer teachers the opportunity to address children's learning strength and needs.

Is my child's learning protected?

Yes... As long as the user name and password has been kept confidential.

Why is The Coppice Primary School using Spellodrome?

How will Spellodrome benefit my child?

- Improves achievements by supporting teachers in designing personalised and engaging learning experiences which respond to individualised English needs.
- Provides immediate feedback as students know instantly how they are progressing.
- Empowers students to become more independent in their learning.
- Studies show increased engagement and motivation for learning when using tools like Spellodrome.

How will Spellodrome benefit me?

- Gives you a window into your child's learning.
- It is a convenient, quick way to monitor your child's progress by way of the internet.
- Provides the perfect link between home and school as you can sign up to receive weekly emails updating you on your child's progress.
- Educational and fun activity to engage your child in learning when at home.

Each student's Spellodrome account holds information relating to individual results and progress.

Please ensure that your child is the only one to access and use their account.

If you or your child thinks that someone knows the password please see your child's class teacher ASAP.
